Ed Note: Propagation was extremely poor this year and many stations could not be heard. Conditions were terrible! This is just a small fraction of what we usually have for check-ins. **Note that some of the above log entries are from the recovered 2016 Vets Day Log which had been previously lost.** Those veterans who checked in are asked to review the above log for accuracy and send any corrections or additions to :

**Thanks to all who checked in.
Thanks again to all Veterans for your service
and for the freedom that we enjoy today because of your service.**
